

Happy Christmas – War Is over

Lennon

And so this is ^{La}Christmas
and what have you ^{Si-}done?
Another year ^{Mi}over, a new one just ^{La}begun;
And so this is ^{Re}Christmas, I hope you have ^{Mi-}fun
the near and the ^{La}dear ones,
the old and the ^{Re}young.
A merry, merry ^{Sol}Christmas,
and a happy New ^{La}Year,
Let's hope it's a ^{Mi-}good one, ^{Sol}
without any ^{Re} ^{Mi7}fear

1. And so this is ^{Sol}Christmas (*War is over*)
for weak and for ^{La}strong (*if you want it*)
The rich and the ^{Mi-}poor ones (*war is over*)
the road is so long. (*now*) ^{Re}
And so, happy ^{Sol}Christmas (*War is over*)
for black and for ^{La}white (*if you want it*)
For the yellow and red ones (*war is over*) ^{Mi-}
Let's stop all the fights. (*now*) ^{Re}
